

Entrance Exam Requirements - Classical Voice:

A DVD recording as assigned in the following list of requirements:

OPERA BRANCH

- 1 baroque or preclassical opera aria
- 1 classical aria
- 2 romantic arias
- 1 modern song or aria
- 1 aria in Hungarian language, composed by a Hungarian composer
- 1 poem or short prose chosen by the candidate

At least one of the arias should include a secco recitativo, another one should include an accompagniato recitativo. One aria must be in Italian language. The other pieces should represent a colorful scheme of languages. If the candidate is not Hungarian the Hungarian piece may be substituted with another piece of the same difficulty. Three copies of the material of the entrance exam must be sent to the examination board prior to the exam, with the name indicated on each copy. The entrance exam is preceded by a consultation class, for which the candidate should prepare with 3 musical segments. The candidate will be informed about the exact time of the consultation class beforehand.

REQUIREMENTS FOR ORATORIO AND LIED SINGING (MA)

- 3 songs/liebs, one of which should be composed by a Hungarian composer in Hungarian language
- 1 aria from a baroque oratorio, mass or cantata
- 1 aria from a classical oratorio, mass or cantata, or a concerto aria
- 1 aria from a romantic or modern oratorio, mass or cantata

One of the oratorio segments should include a recitativo in German language. One of the oratorio segments should be in Hungarian language, if possible. The arias should represent 3 different eras of music history and should be sung in different languages. At least one segment must include a coloratura and must be a cheerful piece. If the candidate is not Hungarian the Hungarian piece may be substituted with another piece of the same difficulty. Three copies of the material of the entrance exam must be sent to the examination board prior to the exam, with the name indicated on each copy. The entrance exam is preceded by a consultation class, for which the candidate should prepare with 3 musical segments. The candidate will be informed about the exact time of the consultation class beforehand.

If candidates are found suitable on the basis of their enclosed DVD recordings, the Faculty of Music will send detailed information about further auditions. Candidates have to take part in an audition to fulfil their entrance requirements of their chosen majors.
