2018 INFLUENZA VACCINE NOTICE

Dear Coordinators / Students,

Be informed that the flu season begins September 1st of the current year through March 31st of the following year.

All students currently rotating are required to provide proof of influenza vaccination, as it becomes available at their physician's office or closest pharmacy.

If allergic to the vaccine student must provide a doctor's note to be placed in their file. New students will not be allowed to begin rotation without all required documentations including their flu vaccine (see requirement for clearance listing).

A LIST WILL BE PROVIDED UPON BEGINNING OF THE FLU SEASON

Please review the listing/roster below, 2018 at the far left of each student names indicates that influenza vaccination proofs have been received and documented in student files. All other students must provide proof IMMEDIATELY.

The deadline for receipt of missing flu proof for students who are currently rotating will be **Friday September 28, 2018.**

Thank you for your Cooperation
