

INTERIM PRACTICAL BLOCKS - 4th and 5th year

The aim of the practical blocks is to improve the practical skills of medical students.

Students spend a 2-week (30 hours a week) practical session in the departments where they fulfil the specified requirements under the supervision of a tutor.

There is a lecture book of practical blocks providing a guideline to the student on the requirements he/she should comply with in course of the practical blocks of the specific semesters and on the basic knowledge and skills he/she has to acquire on the given speciality during the gradual training. The level of knowledge and skills to be learned is graded as follows:

O: student has observed the given intervention

P: student has performed the given intervention

Participation: Student attends the intervention and (if possible) actively contributes.

The lecture book may specify the expected number of interventions to be performed.

Registration for practice: via Neptun System

The practices can be completed in departments, clinics of UDMHSC and in affiliated teaching hospitals of UDMHSC in Hungary and abroad.

Prerequisites: prerequisites of the same 4th and 5th year subject

4th YEAR BLOCK PRACTICE

Compulsory: 2*2 weeks Internal Medicine, 2 weeks Obstetrics and Gynaecology, 2 weeks Surgery or Small Surgery
1st semester

2 weeks Internal Medicine (Cardiology and Cardiovascular Diseases)

2 weeks Ob&Gyn or Surgery - Small Surgery

2nd semester

2 weeks Internal Medicine (Endocrinology, Nephrology)

2 weeks Ob&Gyn or Surgery - Small Surgery

In case you choose Ob&Gyn in the 1st semester then you have to choose Surgery-Small Surgery in the 2nd semester and vice versa.

4 year block practice	possible clinic/hospital department
Internal Medicine (Cardiology and Cardiovascular Diseases)	Internal Medicine, Cardiology, Pulmonology
Internal Medicine (Endocrinology, Nephrology)	Internal Medicine
Surgery	Surgery, Traumatology
Small Surgery	Orthopedics, Oral Surgery, Urology

5th YEAR BLOCK PRACTICE

Compulsory: 2*2 weeks Internal Medicine, 2 weeks Neurology, 2 weeks Pediatrics

1st semester

2 weeks Internal Medicine (Gastroenterology , Metabolic disorders)

2 weeks Neurology or Pediatrics

2nd semester

2 weeks Internal Medicine (Hematology and Haemostaseology)

2 weeks Neurology or Pediatrics

In case you choose Pediatrics in the 1st semester then you have to choose Neurology in the 2nd semester and vice versa.

5th year block practice	Possible clinic/hospital
Internal Medicine (Gastroenterology, Metabolic Disorders)	Internal Medicine, Infectology, Dermatology
Internal Medicine (Hematology and Haemostasology)	Internal Medicine, Infectology, Dermatology
Pediatrics	Pediatrics
Neurology	Neurology

INTERIM PRACTICAL BLOCKS – MEDICINE

Calendar for the 4th and 5th year block practice in the academic year 2012/2013:

semester	weeks	dates
1.	11-12	November 19, 2012 - November 30, 2012
	13-14	December 3, 2012 - December 14, 2012
2.	11-12	April 22, 2013 - May 3, 2013
	13-14	May 6, 2013 - May 17, 2013
